Dear Professor Dr. Pinto-Coelho,

Welcome on Editorial Board of *Limnologica*!

It was a great pleasure to hear from the Managing Editor, Dr. Schönborn, that you accepted his invitation to become a Board Member of *Limnologica*.

We are confident that your membership on the Advisory Board will increase the flow of good quality manuscripts and ensure the continuation of the extraordinary short review processes of submitted manuscripts. Both aspects will be essential for the future perspectives of the journal.

Please be assured that we as the publisher will give the journal every support for a successful development. This will include a continuation of the fast and high-quality production process and appropriate marketing activities (your hints concerning suitable congresses and meetings will be very welcome). We invite you to take a look at our web-sites to see who we are and what we are doing (www.urbanfischer.de and www.urbanfischer.de/journals/limno).

We regret that we cannot offer you a royalty for your work but of course you will receive a personal free copy of *Limnologica* beginning with the next issue. We are looking forward to a fruitful and pleasant collaboration.

With best wishes

Bernd Rolle
