**Editor Board Journal Limnologia**

06 January 2010

Dear Professor Pinto Coelho,

It is a pleasure for me to confirm that you are a member of the Advisory Board for the Elsevier owned journal LIMNOLOGICA.

Your support resulted in an increased flow of good manuscripts from South America and a speeding up of the review process. We consider both aspects essential for strengthening and improving the Journal's position in the international field. We are very thankful for your activities.

We look forward to additional years of cooperation.

Yours sincerely

ELSEVIER GmbH  
Journals Division
